Official Sponsor of The Clear Idea

Create an impact

The Clear Idea will provide an unrivalled level of exposure, whether parked up on show at Festivals or lapping busy urban areas and High Streets.

Our lorry cannot fail to attract attention and turn heads with it's stage show lighting and sound system.

The Clear Idea, the ultimate mobile showroom, came through it's maiden voyage with flying colours, so is now fully up running and ready to hire!

Our Mercedes-Benz Atego lorry not only looks fantastic but also provides over 12m² of prime advertising space waiting to be filled with your exciting new products and visual displays, and can literally be driven directly to your target audience!

production

'Production Plus'

'The Clear Idea' is pleased to be working in conjunction with Production Plus. Production Plus are our recommended 'truck fitting' suppliers and are able to offer you a full design and build service, taking either conceptual ideas or comprehensive plans to a 2D or 3D display.

Production Plus offer a full service and will manufacture, source props, install, and ultimately remove the visual display. They will also store your display for future usage on a staggered or repeated campaign.

As no two campaigns or ideas are ever the same this is a bespoke service and as such, talking to them, to discuss your initial concept will allow your ideas to develop!

Whether your campaign is mobile, taking place on the streets, or as a static display at several strategic locations, the service that 'Production Plus' Offers will make your ideas - Clear ideas!

For more information, please contact: [0203 3846975](tel:02033846975) or sales@theclearidea.com
